

GS6507: Speaking to Persuade - Debate and Public Speaking

Course Details					
Course Code:	GS6507				
Course Title:	Speaking to Persuade - Debate and Public Speaking APPROVED				
Short Title:	Debate and Public Speaking				
Course Level::	Level 6				
Valid From::	2020/2021 Sem 2				
Credits::	15				
Owner:	School of Foundation				
Assessment Method:	Achievement				
Course Aim	To improve students critical thinking, reasoning, research and listening skills through debate and public speaking. The course will introduce students to systematic strategies that will help them to form arguments, synthesize information from a variety of sources to draw conclusions and present them coherently.				

CILO				
On Completion of this course, the learner will be able to				
#	Learning Outcome Description			
1	Construct and verbally present persuasive arguments in a reasoned and coherent manner through debate.			
2	Critically analyze and evaluate evidence for and against arguments made on various topics to further develop critical thinking skills.			
3	Effectively research a variety of topics to construct an argument and counter-argument.			
4	Listen critically and simultaneously take notes for the purpose of forming and refuting arguments.			
5	Work independently and in a small team to research and create logical arguments and counter-arguments.			

Requisites

Pre Requisite: Degree Entry level English
