

APPROVED

WM6012: Digital Publishing

Course Details

Course Code:	WM6012
Course Title:	Digital Publishing APPROVED
Short Title:	DP
Course Level::	Level 6
Valid From::	2022/2023 Sem 1
Credits::	15
Owner:	Web Media
Assessment Method:	Achievement
Course Aim	The Digital Publishing course develops a practical understanding of the design and production principles of new media digital publishing. This includes layout, design, interactivity and images for new media devices as well as online publications. Students will follow practical approaches to creative organization, pre-production, time management, and other workflows that are commonly used in professional practice.

CLO	
On Completion of this course, the learner will be able to	
#	Learning Outcome Description
1	Prepare detailed text and graphics files for electronic publication.
2	Interpret and find solutions to design problems applying appropriate and creative interactive digital outcomes.
3	Apply design skills in a variety of software packages and bring elements together to produce a cohesive range of end products.
4	Communicate design intents and specifications through verbal–visual presentations and documentation.
