Programme Title (Arabic)		البكالوريوس في التصميم المرئي				
Acronym / Abbreviation*		BVIS				
Nature		Unendorsed Qualification				
Programme Code		DES8000		Programme Duration		4 Year/Cycle
Programme Level		Level 8				
Programme Credits		480				
Award Category		Bachelors				
Effective From		2020/2021 Sem 1				
Owner		Faculty of EDICT (Engineering, Design and ICT)				
Professional Body						
<i>Professional Body</i>	<i>Recognition Status</i>	<i>Effective From</i>	<i>Interim Date</i>	<i>Professional Bodies</i>	<i>Contact Person</i>	<i>Evidence</i>
Employability Skills	Yes	04 يناير 2021				
Target Groups*						
High School Graduates						
Qualification Completion Requirements Criteria	Title	Nature	Criteria			
	Bachelor of Visual Design	Unendorsed degree	Awarded where candidates have met all of the requirements below ¹ : <ul style="list-style-type: none"> ● Successful completion of, or exemption from, all courses listed in Schedule A ● Accumulation of at least 105 credits² from courses in Schedule B, including at least 15 credits at level 8 ● Completion of courses to accumulate 480 credits from any Bahrain Polytechnic Qualification ● Achieve the Bahrain Polytechnic General Qualification Requirements as found in Policy A/AB/004, Naming and Awarding Qualifications 			
¹ Transition arrangements may apply ² Students enrolled in the programme prior to September 2016 are required to complete a minimum of 90 credits from Schedule B						

Programme Overview*

This programme aims to:

- Deliver a successful and effective Visual Design studies programme to degree level, which is distinctively practical highly interactive, yet aware of relevant visual communication industry issues of today.
- Encourage students to be aware of issues that fuel and inspire the fields of visual design in the future.
- Encourage students to achieve excellence within their discipline areas to inspire the growth of their cultural and aesthetic sensitivities; leading them to an understanding of those human factors so essential in the production of communication and information.
- Develop student's awareness of global issues and the role they will play as members of the international community.
- Develop students' abilities to expand their knowledge, adapt and apply skills such as research and critical thinking to any situation.
- Produce graduates who have broad-based design industry knowledge.

Produce graduates with an understanding of, and capabilities within, their specialised field of design

Entry and Selection*

Along with the general degree entry requirements, applicants must show competence in English and basic mathematics.

These specific requirements may be met by:

- Successful completion of:
 - AP4203 English 2
- and
- AP4101 Mathematics 2 (General)
- or
- Passing English and Mathematics Entry tests at the required level or equivalent.

Selection and Criteria and Process*	<p>Selection Criteria and Process</p> <p>1. Selection Criteria</p> <ul style="list-style-type: none"> ● Motivation of the applicant: those who have made a genuine attempt to understand what Visual Design is and what designers do and have investigated career options ● Maturity of the applicant: the ability of the student to relate realistically to her/his world and to apply discipline to study, evidenced in previous experience and shown in portfolio ● Communication and interpersonal skills of the applicant: the potential of the student to clearly interact with staff and users in the working environment. ● Creative Ability: shows evidence of an active creative imagination, has good craftsmanship skills, portfolio shows an understanding of composition and subject matter. <p>1. Selection Process</p> <ul style="list-style-type: none"> ● Applicants are required to submit a portfolio which includes a variety of original, developmental and finished works. As a guideline 10 to 20 original pieces of work are required. A portfolio may be a collection of electronic files, a folder, notebook or ring binder; containing a collection of drawings, sketches, photographs, slides, or any other representation of the individual's artistic ability, sensitivities, visual awareness and interests; ● All applications are considered by a selection panel; ● Upon review of portfolios successful applicants are required to attend an interview. ● Selection will be made on meeting the defined selection standard; <p>Where the number of eligible applicants exceeds the number of places available, preference will be given to applicants who show the greatest promise of success as determined by the selection criteria above; and success in the Certificate in Academic Preparation programme or entry testing.</p>
Major Selection Criteria*	NA
Accreditation / External Approval Requirements*	NA

Programme Learning Outcomes

On successful completion of this programme the learner will be able to :

Description
Solve creative problems, take risks, challenge preconceptions, experiment and test ideas within the field of design, including research and synthesis of technical, aesthetic, and conceptual knowledge
Recognize the influence of major cultural and aesthetic trends, both historical and contemporary, in Visual Design
Communicate clarity of purpose, appropriate selection of media with sensitivity to the needs of the audience in the production and presentation of ideas
Utilize a design approach to apply new ways of addressing contemporary issues that involve working with others, industry and community.
Manipulate image and typography accurately and cohesively in order to turn the client's ideas into final output.
Practice as a Professional using 21st Century Skills

Semester Schedules

Year 1 / Semester 1

Core	
Course Code	Title
VC6102	Computer Practical I: Design Principles & Image Creation
VC6104	Historical Studies in Design
EL5005	Reading and Writing English for EDICT
VC6100	Visual Design I: Colour Theory and Design Theory & Methods
Studio Option	
Course Code	Title
VCSO	Visual Design Studio Option

Year 1 / Semester 2

Core	
Course Code	Title
VC6103	Computer Practical II: Layout Principles & Graphic Design
EL5006	Speaking and Listening English for EDICT
VC6101	Visual Design 2: Typography & Graphic Design

Year 2 / Semester 1

Core	
Course Code	Title
VC7202	Design Principles and Online Media
EL6001	English for EDICT 3
VC7200	Visual Design III: Advanced Typography
Studio Option	
Course Code	Title
VCSO	Visual Design Studio Option

Year 2 / Semester 2

Core	
Course Code	Title
VC7203	Computer Practical IV: Digital Type Design & Type in Motion
EL6002	English for EDICT 4
VC7201	Visual Design IV: Branding
Studio Option	
Course Code	Title
VCSO	Visual Design Studio Option

Year 3 / Semester 1

Core	
Course Code	Title
VC7910	The Power of Advertising
